

Donate your Cell Phones to Help Victims of Domestic Violence

How are cell phone donations used?

In two critical ways:

1. Phones in good working order are provided to victims of domestic violence and sexual assault as life lines to be used in the case of emergencies.
2. Phones not in good working order, and any in excess, are recycled to reduce toxic waste and to raise funds for victim services.

Drop your donations off :

(location)

Bring them in by:

(date)

We will ensure that your donations make it to The Julian Center to help victims of domestic violence.
