THE JULIAN CENTER
Job Description

Position: Intern, Art Therapy (Advanced)
Job Status: Temporary

Duties: This 300-hour advanced internship offers advanced training in trauma-informed approaches to art therapy and provides the additional hours required to be eligible for licensure in Indiana as a Licensed Mental Health Counselor. The population includes adult and child survivors of domestic violence and other traumas. Group, individual and family therapy approaches are utilized. Focus is on an ‘art-as-therapy’ approach to treatment. Advanced interns develop and facilitate their own art therapy groups and provide adjunctive art therapy sessions (individual and/or family).

Interested applicants should submit the following materials:
1. Letter of Intent for internship
2. Resume
3. Minimum of 10 slides of artwork with explanation of how each relates to student's interest in entering field of art therapy – please include a variety of media
4. 2 letters of reference from art therapy program faculty
